Go to standard.com, click on log in (at top right). Enrolled participants may receive care without the card just by giving the provider their name, date of birth, and social security number/member identification number.

Dental Network Information

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member dentist are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit: <http://www.standard.com/dental> and click on "Find a Dentist." California Residents: When prompted to select your network, choose the network found on your ID Card.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on October 1.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

This form is a benefit highlight, not a certificate of insurance. This policy has exclusions, limitations, reductions of benefits, and terms under which the policy may be continued in force or terminated. Please contact The Standard [or your employer] for additional information, including costs and complete details of coverage.
